

One Cheap USB Turntable. Many Brand Names.

Real Manufacturer (OEM):
Leetac Electronics
Zhongshan City, China

Model:
E-E014

Unflattering Description:

All plastic construction. Ceramic cartridge with inferior sound quality compared to a moving magnet cartridge (listen to it on Knowzy). Accelerates record wear by applying serious needle pressure. Skipped frequently in Knowzy's tests.

Rebranded by these companies as...

GRACE
DIGITAL AUDIO
